CONGRESS 2010

Saturday, March 6

Worcester Masonic Hall, 1 Ionic Avenue, Worcester, MA 01608

Descriptions:

Chapter of Instruction: Explaining the symbols and purposes of the Degrees to more fully understand them. What are they and Why are they?

Jeopardy: Have some fun and learn about DeMolay too! DeMolays will break into teams to compete against one another in DeMolay knowledge and trivia. Learn and win!

Selling DeMolay: How do you explain what DeMolay is? How can you describe DeMolay succinctly to your friends? Learn how to speak accurately and intelligently about the organization you like being a member in.

Term Planning: In depth term planning calss for thos who will service as Master Councilor in the next year to year and a half. Plan theoretical terms with calendars and get some hand-on experience. (Bring notebook, pen, pencils, etc.)

Joining the State Officer Program: You have been a Master Councilor and your desire to do more is still there. Learn what it takes to do the job of a state officer. What is the commitment? What can I expect?

Paying for College: We have asked Dad Geoff Kromer to speak on the college selection process, the financial aspects, what to look for and what to look out for. This is an important program for High School Sophomores and Juniors.

Program Guidebook: Years ago, DeMolay had published membership guides, and program planning guides for the use of active DeMolays. Send your best as we will look at the old publications and see if they can be updated and re-published for today's DeMolays. (Bring a pen!)

The Group Activity: One teammate has a Lego structure design in front of him, and they need to tell their partner how to build it without showing them. All the designs are different. This exercise is to build the group dynamic and communication skills and have a little fun too!

Lunch: It's "Wings Over Worcester." Worcester is a five college town and overwhelmingly endorses *Wings Over Worcester*. A quality lunch for a quality group!

Guest Speaker: The State Master Councilor has disturbed the space-time continuum to bring a special guest speaker out of time. Come and be surprised.

Caucus Meetings/Constitutional Review: The purpose of Congress! Delegates will go over the existing constitution and then the proposed new constitution. The delegates will be briefed in Roberts Rules and be prepared to debate in detail the proposal before Congress. To further the process, Delegates will meet in caucuses beforehand to further prepare them for the legislative demands before them.

Dress for the day is shirt and tie, jackets optional.
