Executive Officer

David Farmer
Director of State Representatives

May 15, 2010

Dear Parent:

Your son has expressed an interest in becoming a State Representative.

The State Representative is a new position; one we hope will grow to become an integral part of our program. The purpose is to offer more opportunities in DeMolay now that he has served his home Chapter as a Master Councilor. Naturally, we encourage him to remain very active in his home chapter; however we have identified challenges at the state level where he might wish to further participate and develop his talents.

As a State Representative, he will be requested to attend bi-monthly meetings with our elected State Officers. He will be asked to assist in the execution of the programs created by the elected officers and have a hand in the planning process as well. This experience will give him the opportunity to observe the dedication and effort necessary to become an elected state officer should he desire to do so in the future.

We want to let you know that this is not a small undertaking. Your son will be putting in serious effort and we wished to make you aware of the commitment. If you wish to allow your son to apply please sign the appropriate area on the application.

If you have any questions please e-mail me at david.farmer@mademolay.org

Sincerely,

David Farmer
